

# REQUEST FORM: PLEASE READ FIRST

This cover sheet explains how our program works, and it will help you to provide all the information we need to accurately fulfill your request. We will never share your personal data with a third party, but we do need it for correct sizing, to contact you with any questions, and to create your shipping label.

The Rider's Closet was founded to serve anyone who wishes to ride but is challenged by the cost of acquiring show or schooling apparel. We know this is an expensive sport, and we also know how life-changing it is to partner with a horse. We are here to help make riding at any age and all levels more accessible. *Thank you for being respectful of our mission* and the generosity of the many donors who help us carry out our work.

**Requests generally are fulfilled within 1-2 weeks of our receiving your form.** Certain times of the year are busier (e.g., fall), and that will affect turnaround time. Thank you for understanding that we are a small team managing a large nationwide charitable program. We prioritize first-time requests over repeat requests, which means you may wait longer if you've already received a package from us within the year. Unless there are special circumstances to consider, we usually do not fulfill more than two requests per year for a rider.

**Every new and gently used item in our inventory is donated to us,** and availability changes based on what we receive and when we receive it. It is difficult for us to match brand or style requests, but if you are required to wear a certain color, please tell us and we will do our best to make that happen.

**\*The section with the blank lines at bottom left is where you indicate which items you need.\*** If this section is not completed, fulfillment will be delayed while we contact you and ask you to provide a list of the items you need. The box at the bottom right is for our use during fulfillment. Please leave that section blank.

**Please provide an email address and print it as clearly as you can.** We use it to contact you if we have questions, and we also provide it to UPS in case they have issues with your delivery and need to contact you.

**Not everyone knows their U.S. "equestrian" sizing, and that's totally OK.** If you need to give us retail sizing or S/M/L, go right ahead. However, we must also have your height/weight/measurements as requested on the form. Our only goal is to get you the right riding gear, and we will be very respectful of your personal information and maintain confidentiality throughout our process.

**Everyone requesting a show coat must provide chest and waist measurements in addition to any retail/equestrian sizing information.** We receive a huge range of brands, styles and sizing systems (U.S., U.K., Italian, German, etc.), and some coats have also been altered. The only way we can get close on fit is through matching the rider's measurements to the coat's measurements. It also helps a lot with accurate shirt sizing.

**Unless you are sure of your equestrian size in breeches (e.g., 28R, 34L, etc.), we will need your waist and inseam measurements.** We generally have regular and tall in most ladies' sizes, and in some men's sizes.

**Everyone requesting tall boots or half chaps must provide calf width and height in inches.** We are not able to go by descriptions like "slim" and "tall." Each manufacturer has a different definition of those terms, and we also receive many custom-fit boots from donors. Calf width is measured around the widest part of the calf. For most adults, it's somewhere between 12"-16". Calf length is measured from the bare heel where it meets the floor up to the back of the knee. For most adults, calf height range is 16"-20". Please note that most of the adult tall boots donated to us happen to be less than 16" wide and at least 18" high. For tall boots, please also indicate field (laces) or dress (no laces). We will have a better chance of finding you boots if you can use either field or dress. If you are requesting only paddock boots and do not need half chaps, we will not need calf measurements.

**If you have any questions,** email (riderscloset@equusfoundation.org) is best and will receive the fastest response, or you can call us (914-276-2070). Please note we do not take requests by phone, only in writing.

This program was founded to serve riders in need. Thank you for being respectful of our mission so we may assist all who need help with the expense of acquiring riding apparel. Every item in our inventory is donated, and availability is limited to what we receive and when we receive it. Filled requests are shipped within the U.S. only, free of charge to you. To ensure clear communication, **requests must be sent in writing** by mail, email or fax. You are welcome to call us with questions, but we cannot fulfill verbal requests left on the voicemail. *Thank you!*
